World Invocation Day

Hi Trudie,

Firstly, and most importantly, we have World Invocation day coming up on Friday 24th of May. This day has been dedicated every year, to celebrating the return of the Christ since 1952. If you can, then we need you to take time out on Friday to Use The Great Invocation.

Marriage Officer Registrations

Here is the latest update on the progress towards getting the Marriage Officer license registrations. As you may remember we submitted the application for those of you who are in Centurion a few weeks ago. We chose a limited set of candidates, because we wanted to test the waters to see how the process would run.

Currently we are in the process of trying to contact the relevant people at the department by email, to get an update on the progress. We know that all the documents are in the right format, and that we have included everything that they asked for. As soon as we get some feedback, we will let you know.

The idea is that as soon as this first batch is approved, we will then go ahead and submit the rest of the names that we have for registration as marriage officers. Then we face the long process of preparing for the examination, and getting registered. Once we have the syllabus we can decide whether we need to put together a course or not, to prepare for the exam.

Saint Titus

We are preparing to start the Priest training. I must apologize that I have been busy with work related issues, and so have not had a chance to get things going earlier. Our target for Saint Titus over the next five years, is to train and ordain 100 Priests in the Catholic tradition. Currently we are almost up to a dozen candidates. If you know of anybody who would be interested, then please refer them to me.

In the background I have been in extended and separate Discussions with three Bishops, about the possibility of ordaining our Candidate priests to the Priesthood, and consecrating a Bishop. It seems that the Spanish Liberal Catholic Church is going to walk away from us, which leaves us with the Independent Old Catholic Church (IOCC), and the Young Rite (Offshoot of the Liberal Catholics). The chances are fairly good that we will end up going with the IOCC. I will give you more details, once things start to crystalize into a plan that we can follow.

We are in the process of researching the possibility of creating an online church administration software, which will clip into your church websites. Saint Titus will be the first one to have it, once it is ready. This software will enable you to run, a completely virtual church, or a physical church or a combination of the two. The software will cover all aspects of running a Parish church, including preparing annual or bi-annual reports for the Bishop. In our case we don't yet have a Bishop, so your reports will come to me, until such time as a Bishop is appointed.

Arcane School

Finally I salute those of you who have followed my suggestion, and registered for the free training in Esoteric Philosophy and Meditation with the Arcane school. The purpose of this study is to prepare us for service to humanity in very carefully selected groups. Obviously you will be working alone, but tuning in to the group that you have been assigned to.

I have not suggested that you should study this material, while not studying it myself. So I too have enrolled, and over the weekend, my study pack arrived. I was very impressed with the material. Maybe yours has arrived in the

meantime as well. The ring bound book that comes with the material is for the first six months. Interesting that the entire process will take from 9 to 14 years to complete, according to the Ring bound book. However the possibility of going through the initiations as a group for the first time in the History of Mankind is very appealing. This only becomes a possibility once, you have completed the studies, and grown spiritually to a certain extent.

There are some recommended / required text books that go with this first six months of study. They recommend esoteric Psychology, volumes 1 and 2, as well as Discipleship in the new age volumes 1 and 2. We must just check with Dr Trudie if she can supply us with these text books. Also recommended is The Secret Doctrine by Madame Blavatsky, and the Cosmo Conception by Max Heindel. Actually you can download a copy of the Cosmo Conception from <http://www.rosicrucian.com/>. I know that Dr Trudie used to sell the books of Alice Bailey, and she may be able to order them for you. If you don't come right, then please let me know, and I will see what can be done about getting the books for you.

Well what can I say, I hope it goes well with your meditations, and hopefully I will meet up with you in the spiritual Ashrams of the Masters on a Soul level, where we can perform the work of the Masters as a group.
